

HARVEST UPDATE

Grain receipts (tonnes) at GrainCorp's sites as at **23 November 2015**.

	Since last report	Since 1 October 2015
Queensland	44,300	1,093,400
New South Wales	1,210,900	2,699,900
Victoria	317,600	624,800
TOTAL NETWORK	1,572,800	4,418,100

- NSW growers continue to take advantage of the dry weather with high volumes being received across most regions especially around Dubbo, Moree, Temora and Wyalong.
- Deliveries of barley, canola, chickpeas and wheat continue across central and southern NSW.
- Deliveries of wheat and barley have continued across Victoria with initial deliveries of canola being received in the northern regions around Mallee and Swan hill. High temperatures and high winds may slow harvest.
- Queensland harvest is nearing completion with smaller deliveries being made across the region. Some early sorghum/summer crop planting is underway in some areas such as Dalby.
