## COMMENTARY:

- Queensland harvest still seeing receivals trickling in but largely complete;
- Southern NSW harvest is winding down now, with Junee and Temora clusters still progressing;
- Victoria harvest progressing strongly, with Southern Mallee sites including Warracknabeal, Beulah, Donald and Rainbow leading the way;
- Expecting solid volumes in the Wimmera region this week as it is well under way now; and
- 2-Day Payment terms, Secured Payments via CropConnect, up to 90 days of free storage, all available on GrainCorp's [Season Update website](#).
